

Wireless LAN Account Service Scope

The scope of campus WiFi accounts applied by the Center is divided into two sections

1. On-campus: Provides WiFi access when roaming through the campus

○ The Center has established and administered WiFi in public areas

Public areas include indoor spaces: Food Court□Casa de Socrates Cafe□Distance Classrooms□ZyXEL Auditorium□Feng Yun Building□Shui Mu Student Center□[Student Dormitory Public Area](#)...etc., and outdoor spaces:Food Court Outdoor Square□General Building II Pigeon Square□Student Union Outdoor Square□Cheng Kung Lakeside (Close to the side of Auditorium)□The Great Lawn... etc.

○ Departments have established and administered WiFi

The departments responsible for providing WiFi LAN services and accessing the Center authentication services include the library, Library□Department of Physics□Institute of Statistics□Institute of Computational and Modeling Science□Department of Mathematics□Department of Chemistry□Department of Power Mechanical Engineering□Department of Industrial Engineering & Engineering Management□Department of Chemical Engineering□Department of Materials Science and Engineering□Department of Biomedical Engineering and Environmental Sciences□Department of Engineering and System Science□Institute of Nuclear Engineering and Science□College of Humanities & Social Sciences□College of Life Science□Department of Electrical Engineering□Department of Computer Science□College of Technology Management□Tsing Hua College□Institute of Learning Sciences and Technologies... etc.

2. Non-NTHU: Inter-school roaming

- When using WiFi authentication for inter-school roaming, [@wlan.nthu.edu.tw](http://wlan.nthu.edu.tw) must be appended to your account. For information on inter-school roaming, please refer to the

Ministry of Education's **TANet's Taiwan Academic Network Roaming Center**. For more information, please refer to [Common WiFi problems “How do I access WiFi during inter-school roaming?”](#).

- [TWAREN SSL VPN Service](#) This services system requires a campus WiFi account for authentication (limited to NTHU faculty, staff, students, and short-term exchange students), and does not need to be accessed through a wireless network.
