Application Rules

1. Application procedures based on the unit that introduced the applicant are as follows:
   a. Student number issuing unit: Introduced by the student number issuing unit (such as: the Office of Global Affairs or Center for Continuing Education). The application must be signed by the applicant and affixed with the seal of the Division of Student Housing and student number issuing unit (the signature and seal of the department/institute is not necessary), and is submitted by the student number issuing unit to the Center. The "Information of Dormitory Network Account" notice is also distributed by the student number issuing unit.
   b. Department/institute: Introduced by the department/institute. The application must be signed by the applicant and affixed with the seal of the Division of Student Housing, department/institute, and student number issuing unit, and is submitted by the department/institute to the Center. The " Information of Dormitory Network Account " notice is also distributed by the department /institute.
2. Applicants must comply with NTHU's Campus Network Terms of Use, Student Dormitory Network Terms of Use, and the regulations and measures announced by the Center (please refer to the homepage of the Network Systems Division http://net.nthu.edu.tw/ or the bulletin board on the 2F of the Computer and Communication Center).
3. This account may be used for the student dormitory network. The account may not be used for other purposes, nor may it be used by persons other than the owner of the account. This account will be deleted after the student leaves NTHU.
4. During the 2nd executive meeting for academic year 2014, held on December 2nd, 2014, it was resolved that for each semester, all students are required to pay a Computer and Internet Fees; non-residents are to pay NT$600, and residents NT$800. Residents pay NT$ 200 more than non-residents each semester. Before applying for a student Dormitory Internet, students must make the payment of Computer and Internet Fees. If a user stops using the account or is suspended, the Computer and Internet fees will not be refunded.
5. The Center reserves the right to temporarily suspend or decline providing services to users who violate the terms of application or have unsatisfactory user histories. Any violations of university regulations or the law may be handled by related units in accordance with the law.
6. The Center will complete processing within three working days of receiving the application form.
