Hereby submitted to

National Tsing Hua University Computer & Communication Center

_____ (Signature)

Notes:

1. Users must fill in an "Application Form for Campus Wireless LAN Account Resumption" after troubleshooting, and submit the application form to the service counter on 2F of the Center.
2. The Center will complete processing within three work days of receiving the application form. Please test your campus wireless LAN account at "Online services" of <http://net.nthu.edu.tw/>. Please contact us if you still cannot use your account after three work days.
3. If another violation occurs, we will take necessary action based on the severity of the situation, such as suspending your right to access the campus wireless LAN.
4. If you have any questions, please call ext. 31235.
5. This application form shall take effect after being passed at the Computer and Communication Center Network Systems Division Meeting. The same applies for amendments made thereto.
