

G Suite for Education: @gapp.nthu.edu.tw

This service is structured under the G Suite for Education (formerly Google Apps for Education) service. Users are required to comply with Google's "License Agreement" and "Terms of Service", the Center also has a "National Tsing Hua University Computer and Communication Center G Suite (Google Apps) for Education Terms of Service". In case of violation, both the Center and Google have the right to suspend or cancel the account privileges. **The online application was already opened on May 27, 2015 from 10:00 a.m.**

Relevant regulations

1. National Tsing Hua University Computer and Communication Center G Suite (Google Apps) for Education Terms of Service
2. G Suite for Education (Online) Agreement: https://gsuite.google.com/intl/en_US/terms/education_terms.html
3. Google Terms of Service: https://policies.google.com/terms?hl=en_US
4. Google Privacy Policy: https://policies.google.com/privacy?hl=en_US

Account information

- Primary domain: @gapp.nthu.edu.tw
- Domain alias: @cloud.nthu.edu.tw **NEW**
- Google account login site: <https://accounts.google.com/>

Google Suite service information

- **G Suite Status Dashboard**: It offers performance information for the following Google services.
- **Google Help**: It includes [Gmail](#), [Google Calendar](#), [Google Drive](#), [Google Sites](#), ...
- **G Suite for Education FAQ**
 - <https://support.google.com/a/answer/139019?hl=en>
 - How much storage do users get with G Suite for Education? (2020/05/26 excerpted from the above URL)
 - Each user has unlimited storage for Google Drive, Gmail, and Google Photos. If there are 4 or fewer users in your organization, each user gets 1 TB of storage.
Note: According to Google's description above, the Center has far more than 4 users, so each user should have unlimited storage space.
- [Compare Google Workspace editions](#)

Account application procedure

1. Login from Academic Information System

1. Connect to <https://www.ccxp.nthu.edu.tw/ccxp/INQUIRE/index.php?lang=english>
2. Enter your AIS password.
 - o **NOTICE** If you forgot your AIS password, please click **"Forgot your password?"** below "login" on the page of AIS system for help.

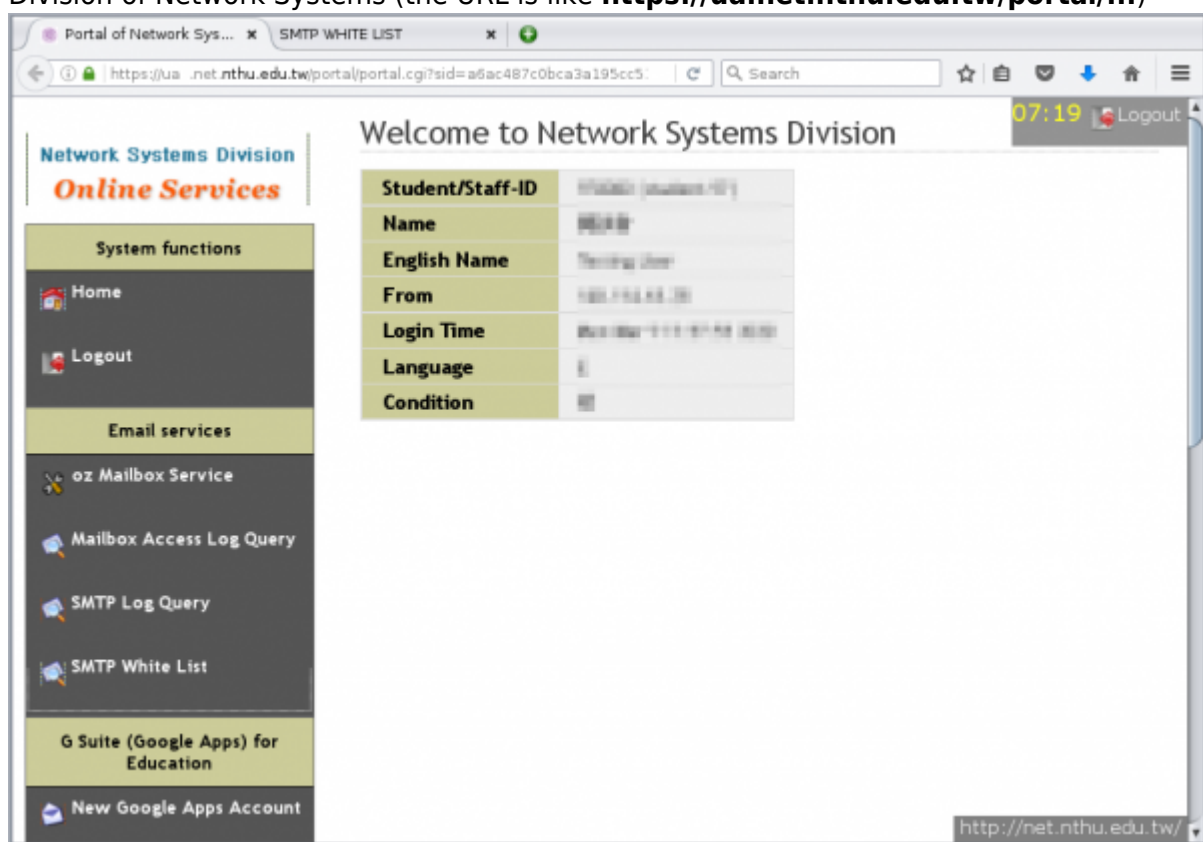

3. Select **"Computer and Communication Center Services"** first, and then **"Division of Network Systems"**.
4. Click the URL **"Division of Network Systems"** on the right frame, and then your browser will be redirected to the service portal of **Division of Network Systems**

Failed to redirect to the service portal

- If the error message like “**cannot get checksum or expired...**” appears, it means that the URL is expired due to over the valid period of 2 minutes after its generation. Please **click the “Division of Network Systems” on the left menu** (or login AIS again) to generate another valid URL.
- If the error message like “**IP mismatch...**” appears, it means that your IP address connecting to the portal differs from that to the AIS. Please keep your IP address always the same while performing manipulation.

Succeed in redirecting to the service portal

- If like the below window shows, it means that you successfully connect to the service portal of Division of Network Systems (the URL is like **<https://ua.net.nthu.edu.tw/portal/>**...)
