

Date 2023/07/14

The wireless network service in the public areas of the main campus will be temporarily interrupted at 13:00 - 16:30 on Thursday, July 20.

Subject The wireless network service in the public areas of the main campus will be temporarily interrupted at 13:00 - 16:30 on Thursday, July 20.

Description

1. We will perform maintenance for the wireless controller and firewall of the wireless network at 13:00 - 16:30 on Thursday, July 20.
2. During the maintenance period, the wireless network service in the public areas of the main campus will be temporarily interrupted. The scope of influence includes administrative buildings, restaurants and public areas of student dormitory (such as Study Center and Common Room), etc. Department wireless network and roaming authentication services will not be affected.
3. The work will be completed as soon as possible. We appreciate your patience and understanding.
4. Please call Ext.31235, 31000 if any problems.

Network System Division
Computer and Communication Center
