Subject The wireless network service in the public areas of the main campus will be temporarily interrupted at 1:00 PM - 3:30 PM on Thursday, Dec 5.

Description

1. We will perform maintenance for the wireless controller at 1:00 PM - 3:30 PM on Thursday, Dec 5.
2. During the maintenance period, the wireless network service in the public areas of the main campus will be temporarily interrupted. The scope of influence includes classroom areas under the Academic Affairs Office (such as General Building IV and General Building II), administrative buildings, restaurants and public areas of student dormitory (such as Study Center and Common Room), etc. Department wireless network and roaming authentication services will not be affected.
3. The work will be completed as soon as possible. We appreciate your patience and understanding.
4. Please call Ext.31235, 31000 if any problems.
