Wireless Network Service Restored as of 8:58 AM on January 13

Subject: Wireless Network Service Restored as of 8:58 AM on January 13.

Details:

1. The wireless network server at our school experienced a failure in the early hours of January 13, 2025. Following an urgent replacement with a backup server, the service was restored to normal at 8:58 AM on the same day.
2. For assistance, please contact extensions 31235 or 31000.

Network System Division
Computer and Communication Center
