Intermittent Service Interruption for Campus Wireless Network and Dormitory Network Management Website Due to Security Equipment Maintenance on January 20th (Monday), 9:00-10:00 AM.

Subject: Intermittent Service Interruption for Campus Wireless Network and Dormitory Network Management Website Due to Security Equipment Maintenance on January 20th (Monday), 9:00-10:00 AM.

Details:

1. The Computer and Communication Center has scheduled security equipment maintenance on January 20th (Monday), from 9:00 AM to 10:00 AM.
2. During this period, the campus wireless network and the dormitory network management website will experience intermittent service interruptions. The dormitory network itself will remain unaffected.
3. We will make every effort to complete the maintenance as quickly as possible. We apologize for any inconvenience this may cause.
4. If you have any questions, please contact us at extensions 31235, 31178, 76405, or 31000.

Computer and Communication Center
Network Systems Division
