

# Apply for campus wireless LAN account

## 1. Login from Academic Information System

1. Connect to <https://www.ccxp.nthu.edu.tw/ccxp/INQUIRE/index.php?lang=english>
2. Enter your AIS password.
  - o **NOTICE** If you forgot your AIS password, please click **"Forgot your password?"** below "login" on the page of AIS system for help.

3. Select **"Computer and Communication Center Services"** first, and then **"Division of Network Systems"**.
4. Click the URL **"Division of Network Systems"** on the right frame, and then your browser will be redirected to the service portal of **Division of Network Systems**

## Failed to redirect to the service portal

- If the error message like “**cannot get checksum or expired...**” appears, it means that the URL is expired due to over the valid period of 2 minutes after its generation. Please **click the “Division of Network Systems” on the left menu** (or login AIS again) to generate another valid URL.
- If the error message like “**IP mismatch...**” appears, it means that your IP address connecting to the portal differs from that to the AIS. Please keep your IP address always the same while performing manipulation.

## Succeed in redirecting to the service portal

- If like the below window shows, it means that you successfully connect to the service portal of Division of Network Systems (the URL is like **<https://ua.net.nthu.edu.tw/portal/...>**)
