Campus Wireless LAN Account Application and Change

Applicant Information	
Name	[Redacted]
Department	[Redacted]
Professional Title	[Redacted]
Email	[Redacted]@nthu.edu.tw
Account Information	
Wireless Account	w[Redacted] <small>(Note: The first English letter is lowercase)</small>
Operation Status	Your account will be activated within 10 minutes
<ul style="list-style-type: none"> This account is only for academic research purpose, account transfer is not allowed. The account will be deleted after its owner leaves NTHU. After completing the application, please see checking the status of your account and password to ensure that your account is activated. If a connection name (wireless network SSID) begins with "nthu-", you can use the wireless network through the wireless network account authentication, such as the campus public area is "nthu-cc". 	
<input type="button" value="Close window"/> <input type="button" value="Logout"/>
