

Wireless Network Service in Student Dormitory Public Area

- The public area of the student dormitory, such as **lounges** and **study centers**, have provided campus wireless networks service (Wi-Fi). The Wi-Fi names are **nthu-cc / TANetRoaming** and **nthuapeap / eduroam**. If you have any questions regarding the use of wireless networks, please call extension 31235 or 31000. Thank you.
- The rooms in the student dormitory mainly provide wired network services. If the wireless signal is received, it is likely to be weak and unstable. It is recommended to use campus Wi-Fi in the following public areas.
