

Introduction to Campus WiFi Service

☐☐ Convenient WiFi service is available to faculty, staff, and students on campus. It only takes three steps to use WiFi services. Key points to using this service are summarized below:

1. Your computer should be able to **access WiFi**, meaning that it has a wireless adapter card that is functioning normally.
2. Users should obtain a **campus WiFi account and password**
3. Users should understand the **campus WiFi coverage**
4. Users should understand the **campus WiFi authentication method**
5. **For details, please refer to the Three-Step Setup for WiFi Access** **NOTICE**
