Campus Wireless LAN Account

Account application and changes

Applicants who qualify for the application can apply for a campus wireless LAN account through the Academic Information Systems. For detailed information, please refer to the application for Campus Wireless LAN Account.
If you need to change your password or if you have forgotten your WiFi password, please refer to the Changing Campus Wireless LAN Account Password.

Account scope

The account may access wireless internet on campus and across schools. For detailed information, please refer to the Wireless LAN Account Service Scope.
